

Targeting

ZERO WASTE

to Landfill Event

Recycling the stuff that you CAN'T put in the YELLOW bin at the Sunrise Campus Markets, 1st Sunday each month.

- Aluminium Foil - rolled into a ball about the size of a Rockmelon.
- Joggers
- Hard Hats & Child Car Seats
- Obscure Plastic items with No. 2 (HDPE) No. 4 (LDPE) No. 5 (PP)
- Plastic lids
- X-Rays
- DVD's CD's Cases & Discs
- Bottles, Cans & Poppers
- Coffee Cups and Lids
- Nespresso Coffee Capsules
- Plastic Garden Pots (no.5 PP)
- Medical Blister Packs - like used for prescription drugs, Panadol, etc.
- Plastic Pill Bottles
- Toothpastes Tubes & Toothbrushes and Razors (blades removed)
- Beauty Products Tubes & Plastic Containers
- Household Batteries, including hearing aid and other button batteries, lithium ion, etc.
- Pens & Markers
- Smoke Detectors, Mobile Phones, Laptops & Computer Accessories
- Plastic Bread Bag Tags
- Cardboard Bread Bag Tags – you can save them in a used A4 envelope, then they can go in the yellow bin.
- Elastic Bands (Reuse)

All items should be empty and clean and we will direct them to facilities that specialise in recycling (with reuse or composting as noted)
